Product List

Our Product List is always expanding. Please feel free to contact us with any product requirement and we'll be happy to help you

Binders / Fillers

Microcrystalline Cellulose (Vivapur®)
Grade 12, 101, 102, 200
Silicified MCC
Prosolv®/Nutrisolv®
Grades 50 & 90
Dicalcium Phosphate Emcompress®
Anhydrous
Dihydrate
Compressible Dextrate
Emdex®
Compressible Sucrose
Sugartab®
Powdered Cellulose
Arbocel®

Super Disintegrants

Croscarmellose Sodium
Sodium Starch Glycolate
Soy Polysaccharides

Lubricants

Sodium Stearyl Fumerate
Hydrogenated Vegetable Oil Powder

Amino Acids

Acetyl-L-Carnitine HCL
L-Carnitine Base
L-Lysine Mono Granular

Carotenoids

(for soft gels & tablets)

Astaxanthin
Beta Carotene
Lutein
Lycopene
Zeaxanthin

Joint Health Products

Chondroitin Sulfate
(Bovine, Porcine, Poultry, Shark)
Glucosamine HCL & Sulfate (K or NA)
Hyaluronic Acid
(High & Low molecular weight)
MSM (low heavy metals)

Nutraceuticals

R Alpha-lipoic Acid
Creatine Monohydrate
DHEA
Genistein
Melatonin
Pregnenolone
Extensive list – Please call

Most Popular Herbal Extracts

Andrographis 5 & 20%
Astragalus 70%, 4:1
Bilberry 25% Anthocyanidins
Boswellia 65% Boswellic Acids
Codonopsis 4:1 & 6:1
Cranberry 4:1 & 10:1
Dandelion Root 4:1
Ginger Root 4:1
Green Tea - polyphenols, EGCG & caffeine
available
Milk Thistle 80% Silymarin
Pumpkin Seed 25% TFA
Rhodiola 3.5% Rosavins
Schizandra 2% Schizandrins, 10:1
Soy 40% Isoflavones
White Willow Bark 15% Salicin
Resveratrol

Specialty Granulations

Ascorbic Acid
Glucosamine/Chondroitin
Alfalfa Leaf

Granulated Minerals

Calcium Carbonate FCC (low lead)
Calcium Carbonate USP (low lead)
Calcium Carbonate
USP Precipitated low lead
90% for chewables
Oyster Shell (low lead)
Calcium Citrate FCC/USP
Ferrous Fumerate –
90% 90%A 95%A
Mag Gran® Magnesium Oxide Heavy
USP (low lead)
Zinc Oxide 90%

Triturations on DCPA, Maltodextrin or Mannitol

B12 0.1% or 1%
Biotin 1%
Folic Acid 10%

Minerals

Ca, Fe, Mg, Mn, Zn Gluconates
Ferrous Fumerate (low lead)
Zinc Acetate (dihydrate) USP
Zinc Oxide

Granulating Agents

HPC (Hydroxypropyl Cellulose – low,
medium, and high viscosity)
HPMC (5 & 15 CPS)
PVP

Other Capabilities

Toll processing
Custom Granulations, Blending and Milling
Vitamin/Mineral Fortification
